Conditions Governing the Importation of Meat and Meat Products (Excluding Game Meat) into the Cayman Islands

Animals Law (2015 Revision) Part II-9 (1) & (2)

All persons importing meat and meat products in to the Cayman Islands whether for commercial or personal use shall obtain and produce for the Agricultural Inspector at the point of entry into the Cayman Islands a **sanitary certificate** issued by the **competent government authority** stating:

- (i) the carcass or portion of the carcass thereof, whether fresh, frozen, chilled, pasteurized, cured or pickled, originated from animals slaughtered while in good health and free from contagious and infectious diseases;
- (ii) the meat or meat products have been inspected and passed for food under the laws of the country of origin;
- (iii) was wholesome and unadulterated at the time of inspection

Eligible/Ineligible Products and Countries

A. Eligible Products

1. Cattle (*Bos spp*) - meat and products
2. Sheep (*Ovis spp*) (*mutton and lamb and goat (Capra spp)*) - meat and products
3. Swine (*Sus domesticus*) – meat and meat products
4. Poultry (*Galliformes*) - meat and products
5. Commercially canned boneless meat, thoroughly cooked and hermetically sealed
6. Only domesticated animals listed above kept for food

B. Ineligible Products

1. Meat and meat products containing meat derived from an advanced meat recovery (AMR) process.
2. Meat and meat products originating from any countries or territories not listed below.

C. Eligible Countries of Export to Cayman Islands

1. Australia, Canada, CARICOM States, Costa Rica, Honduras, New Zealand, and United States of America (*cattle, sheep, goat and swine*)
2. United Kingdom (*swine and cattle*)
3. European Union (*swine products only*)
4. Nicaragua (*boneless meat products only*)
5. All countries/territories (*i. Poultry meat and meat products, ii. Commercially canned boneless meat, thoroughly cooked and hermetically sealed*)

D. Ineligible Countries/Territories

All other countries/territories not listed above.

Types of Consignments and Licences

Commercial Consignment: An importer with a local trade and business licence, who intends to import a consignment or multiple consignments of any weight. *An importation licence is required.*

Personal Consignment: An importer who intends to import, for personal consumption, a consignment, over 5kg (11lbs). *An importation licence is required.*

Licence's: The abovementioned importers **must** acquire a Meat Import Licence from the Department of Agriculture **prior** to importation. The fee is **CI\$50.00** for Single Entry License and **CI\$150.00** for a Multiple Entry License.

Importation of Meat and Meat Products in Passenger Baggage for Personal Use

Individual traveling passengers are allowed to import eligible meat and meat products from eligible countries, intended for personal consumption up to a maximum of 5 kg (11 lbs.), *without* an import licence/sanitary certificate provided the original packaging is intact and the packaging bears the inspection mark/icon from the competent government authority.

Examples: USA: USDA-FSIS inspected stamp/mark

Canada: CFIA inspected stamp/mark
